“

CEO-CF is the leading collaboration platform in Europe. I encourage any CEO with international growth ambitions to connect to this network.

”

Joerg Sievert
Aeris Capital

The CEO Collaborative Forum is proud to invite you to our Budapest Regional Forum in collaboration with the Central European University.

Europe's top CEOs are invited to come together for a day of collaborative problem-solving among peers. Attendees participate actively in strategic challenges and leave with new insights, smart commitments and key contacts to scale their business.

Click [here](#) to attend end the event

The CEO Collaborative Forum

Executives join the CEO Collaborative Forum to connect with like-minded peers in an environment where they can be honest and direct. Our members take the time to reflect on their current business challenges and determine their next steps in small peer groups. Members trust their group's expertise - the feedback they receive proves vital to the growth of their companies.

For more information, please watch this short [video](#).

Who should attend?

Participants include CEOs, investors, directors of family offices and board members of high growth, internationally focused SMEs with the following professional experience (at least 3 out of 4):

- Raised external capital
- Achieved revenues over €1M
- Sales in at least 3 countries
- Revenue growth of 2x over 3 years
